Term & Condition

- This quotation is an initial estimate and is valid till 21-02-2023
- The exact price of your project will depend on measurements, scope of work and change in designs / material / finishes. Based on these revisions, you can expect the quote value to rise or drop by approximately 5-10%. However, in case of non standard product selection / customization / additional scope of work, the prices may substantially increase from the initial quote value.
- Based on your initial discussion with the [redacted] representatives, you shall make an initial payment of either 5% of quote value or INR 25,000, whichever is higher, (in case of Scenario 1 mentioned hereunder); or either 10% of quote value or INR 50,000, whichever is lower (in case of Scenario 2) for booking the order with [redacted], subject to terms and conditions mentioned herein, if applicable.
- The name used for order booking should be in line with the KYC of the customer. No name change possible once order is booked. Disclosing complete names at the time of order booking will help for all legal communications, availing finance options, GST Invoice in case of registered person and processing refund if in case of cancellation.
- Minimum order value is INR 1,50,000. No order below minimum order value will be accepted.
- The initial estimates may not include civil, plumbing, gas-piping or electrical work. The exact value of the quote will depend on the site conditions.
- By default, all lofts will be non-soft close.
- The final payment has to be completed before the material dispatch from the factory and not before installation.
- Between First Installment and Second Installment payment stage of your order brand partnered categories such as appliances, lights and loose furniture etc. are subject to price fluctuation and may not be available due to stock issues from the manufacturer's end. In such cases, you will have an option to choose the other available products.
